# Holiday Handwriting

I see a red gift.

Let's hang the stockings!

We sit by the tree.

Let's bake cookies!

# Holiday Handwriting

We made a snowman.

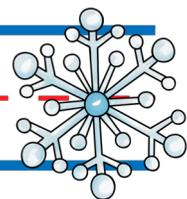

I can wrap a gift.

Do you hear the bells?

I caught a snowflake.

It was almost Christmas, and Grace did not know what to get for her grandma. She wanted her gift to be extra special! Grace thought about getting her a book, but she didn't know which one to choose. She thought about getting a pet fish for her grandma, but Mom said that wasn't a good idea. Suddenly, Grace thought of something. "I know exactly what to get Grandma!" she exclaimed.

I was walking home from school one snowy day. As I walked past my neighbor's yard, I thought I heard something. I paused to be sure. It was a voice! And it was coming from a snowman! "You can talk?" I said. "I sure can," answered the snowman. "Follow me, I want to show you something!"

It was Christmas Eve, and Santa heading out in his sleigh. Suddenly the sleigh made a terrible noise and landed on top of a snow drift. Santa got out and looked at his sleigh. "Oh no!" he cried. "Look what has happened to the sleigh! It's..."

It was early in the morning, and I had just woken up from a great night of sleep. I stretched, yawned, and put my feet on the floor. The floor was... STICKY! I looked around. The walls in my room had turned into gingerbread! And there was icing all around my window. "Oh boy," I thought. "This can only mean one thing. My house has turned into a gingerbread house!"

Jake was on his way to go Christmas shopping. He had his money carefully stowed in his wallet, and he had a list of everyone he wanted to get presents for. When he arrived at the first store, he reached into his pocket, but his wallet was not there!

“Oh no!” Jake groaned.  
“What will I do now?”  
Just then, he heard someone say...

I want to tell you about the most amazing Christmas I ever had! It all started a few days before Christmas.

I got a letter in the mail that came from the North Pole! “We need your help,” the letter said. “The elves have not made enough toys this year, and we need some kids who can help.”

I packed my bags as quick as I could...
