

# Multiplication Memory Game

Use these printable multiplication fact cards to play the memory game! Choose 12 - 24 pairs of facts and grab the corresponding answer cards. You'll have 24 - 48 cards total. Arrange the cards face down in a grid. Players will take turns turning over two cards at a time. If they turn over a multiplication fact and the matching product, they keep that pair of cards. If the cards do not match, the player turns them face down again. The player with the most matches wins!

These cards are also great for multiplication practice for one child on their own. Have them simply match up the products with the multiplication facts.

## **PRINTING INSTRUCTIONS:**

Print pages 2 - 23 for cards that have a plain back.

Print pages 24 - 67 **DOUBLE SIDED** for cards that have a blue back.

## **Terms and Conditions of Use**

Thank you for visiting Frugal Fun for Boys and Girls! I hope that you find this download to be useful!

This file is for personal, classroom, or public library use only. By using this file, you agree that you will not copy or reproduce the file except for your own personal, non-commercial use.

**You may** print as many copies as you'd like to use in your own classroom, home, or public library.

**You may** post online about a printable (for example, taking a photo of your child or student using it), but you must give proper credit to Frugal Fun for Boys and Girls and must link to the original source for downloading.

**You may not** claim my files as your own or alter them in any way.

**You may not** sell or in any way profit from my electronic files.

**You may not** store or distribute my files on any other website or another location where others are able to electronically retrieve them. For example, you may not post them to Facebook forums or Dropbox.

**You may not** email my files to others or transmit them in any other fashion.
